

I would like to take a minute and thank Lacy J. Dalton and especially her manager, Leslie Adams for coming to our Moose Lodge #751 this past spring. We are not the largest venue, but, Lacy agreed to come anyways. This came out to be a great, up close and personal concert that attendees continue to talk about. Lacy J Dalton is the biggest name entertainer that our Lodge has ever had the pleasure to perform. The evening was not just a stop by, play a few songs and dash out the door. I had the pleasure of spending most of the day with Lacy, Leslie and her band member. Before the show stories of their lives, shows they have performed and other entertainers they have performed with had my attention for hours. I am blessed. The show was filled with energy, powerful vocals and more story telling. All who attended felt as if Lacy was speaking directly to them. After the show, Lacy spent several hours signing autographs and taking pictures with whoever wished. Like I said an up close and personal concert. 4 months later I still am approached by people stating how much fun they had. We will definitely be bringing her back to perform. -Allen L. Brown, Administrator L/C Moose Lodge #751, Clarkston, WA

I was pleasantly surprised with her fan base - never watch live shows unless they are taped - enjoyed Lacy J a lot. I usually tell the audience that attend shows this story about Lacy J - I don't know very much about Lacy J Dalton - if I look online she was born and raised in PA - fell in love with the cowboy with the crazy blue eyes, which she wrote the song - married the cowboy and move to reno, NV - there is where she found her love for open range and the wild ones(horses) - which she spends most of her time enjoying. As a venue owner I fell in love with her spirit and in person she is warm as toast. -Kathy Jensen from famous venue: Midwest Country in Sandstone, MN

We were honored to be able to present Lacy J Dalton as the Headliner for our Annual Fundraising Event in Greybull WY for 2018-2019. The event was a huge success, and a large part of that was due to the entertainment!!! From the initial contact with the agency, thru meeting the entertainers, and all the inter-actions, I give it a 5-star rating!! The Event was enjoyed by everyone, from the young teens, that have turned into Lacy J fans, to the older generations that were tapping their toes from the opening note, and were singing along with the tribute to Hank, she OWNED the crowd for the entire evening!! When the show was over, Lacy took the time to sign CD's, making sure to personalize each one, talk to everyone that waited in line, pose for multiple pictures, and make sure that everyone that had waited to see her, or had wanted to talk to her, had an opportunity to do so. This wasn't in the contract, wasn't expected, but goes to show the class of the entertainer that she is, not just on the stage, but off the stage as well!! In our 12 years of existence, we have had many known musicians bless our stage, and they have all done very well, but none but been better received, or have worked harder, and interacted better with the crown, than Lacy J Dalton. We would have her back any time she was available, and would happily refer her to anyone looking for a great entertainer. -Scott Good, Chairman Hands Across the Saddle 501 (c) 3 Charity, Greybull Wyoming

"We had the privilege of having Country Hall of Famer Lacy J Dalton play at our nightclub. Though she had never played in the region for many years, we had a great turnout and really energized crowd. After the show, Lacy took time to meet with the crowd, some of which who had been fans for over 30 years. Her memorable performance was one of the best we have ever had and we look forward to having her back again." -Jamie Schectman, President T-Bar Social Club, June Lake, CA

Lacy is first class entertainment and we were very proud to have you all here! -Kim McAbee-Carter, Executive Director Bakersfield Music Hall of Fame, Bakersfield, CA

Lacy J. Dalton was fantastic. It was nice to see a performer with talent that didn't have to rely on her belly button or bare midriff to keep the attention of the audience. You have a classy, talented artist and I do look forward to future bookings with her. – Joyce Marten, JEM Entertainment

I have never worked with a more outstanding artist! She signed autographs for hours after each show. Not only did she provide a great show, but also the added bonus of breaking attendance records everywhere we sent her! - Sandi Sanders, Sanders Promotions

Lacy J. Dalton is an absolute gem. She and her outfit are completely professional and friendly to staff and fans alike. I hired her as the first country act and my biggest festival and hired her back for our 20<sup>th</sup> reunion. I never considered having anyone else! - Don Tucker, So. California
